A listing of unleased blocks and portions of blocks is available at the address given above. Whole blocks cover an area of 2,304 hectares. The descriptions for partial blocks include the hectare figures for each portion. These partial block descriptions are derived from Supplemental Official OCS Block Diagrams and OCS Composite Block Diagrams which are available upon request at the address or phone number given above. The Locator Map is available for use but is not the official description of the blocks available for lease. The OCS

Official Protraction Diagrams, the Supplemental Official OCS Block Diagrams, and the OCS Composite Block Diagrams constitute the official descriptions of the areas offered. Some individual block diagrams for partial blocks may indicate 2 separate federal areas, federal 8(g) and non 8(g). This is for administrative purposes only. These federal areas are combined to determine the areal extent of the portion of the block being offered. Any areas labeled as “Leased” on the block diagrams is not included in the area being offered.
